JUDGES' PROFILES

Dogs: Mrs Iva Černohubová (Bohemia Horrido) [CZ]

Iva has been involved in Basset Hounds for many years, registering her prefix Bohemia Horrido in 1992 and has campaigned several home-bred Champions in both Basset Hounds and Braque d'Auvergne. She was a founder member of The Basset Club CZ in 1991, serving as editor of the club magazine Basset-Telegraf for 16 years and since 2008 has been secretary of The Scenthound Club CZ. In 1998 she published the only original book about Basset Hounds in her native language with an extended edition of her book concerning all Basset breeds published in 2012.

Iva started her judging career in 2001 and is now is an international F.C.I. judge for F.C.I. groups 4, 6 and 7 and has attended several judging seminars in her own country and in UK and USA. In 2010 she organized the breed seminar focused on the new F.C.I. standard for Basset Hounds. In addition to Bassets Iva has judged other scenthound and pointing breeds all over Europe and special club shows for Basset Hounds, Rhodesian Ridgebacks, Beagles, Weimaraners, Dalmatians, Bloodhounds and PBGVs in Denmark, Sweden, Finland, Hungary, Portugal, UK, Russia and Australia. In her own country she was honoured to judge PBGV, Basset Fauve de Bretagne and Basset Bleu de Gascogne at the F.C.I. European Dog Show in 2014 and at the F.C.I. World Dog Show in 2021 she judged Dalmatians.

Iva is much looking forward to judging the dogs at our Championship Show.

Bitches: Mrs Penny C. Frederikson (Charford/Ambrican) [USA]

Penny Frederiksen (nee Charman) was brought up in England. As Bassets played an important part in family life it was inevitable that Penny would have Bassets of her own, obtaining her foundation bitch in 1970, who accompanied her to Canada when she left home. While resident in Canada, her hounds were registered under the Charford prefix, which she shared with her mother Audrey. With her marriage and a move to the United States, in partnership with her husband they began breeding under the Ambrican prefix in 1984. Together they have bred many Champions from a limited number of litters, their most famous being the 1990 Nationals BIS winner Am/Can.Ch. Ambrican Lipizzan, ROM, and BIS Am/Can.Ch. Ambrican Ivan, both of whom are direct descendants of Penny's first Basset.

Penny has been a member of the BHC for many years and during her time in Canada was a member of the BHC of Canada and served as Secretary, Newsletter Editor and then President. Following her relocation to the USA she has been a member of the BHC of America since 1976 and served on the BHC of America Judges' Education Committee. Currently she is the Secretary of the BHC of Greater San Antonio, Texas. Her first judging appointment was in April 1975 at the Coulsdon KC Open Show and since then has judged extensively in both Canada and the U.S. including the BHC of Canada's Specialty Show in 2008 and the BHCA's National Sweepstakes in 2015. In the UK Penny first awarded challenge certificates at Bath Championship Show in 1996, judged bitches at the BHC's Championship Show in June 2002 and both dogs and bitches at the BHC of Scotland Championship Show in 2018.

Penny is much looking forward to judging at the show.

16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
 Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed event within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
21. Should the Judge be prevented from fulfilling his/her engagement the committee reserve to themselves the right of appointing another judge to fulfill his/her duties. Exhibitors are at liberty to withdraw from competition but no entrance fee can be returned.
22. No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. HEALTH AND SAFETY DECLARATION

Exhibitors and spectators are reminded that, just as the Basset Hound Club has a responsibility to ensure the health and safety of all those attending their event, exhibitors show at their own risk if conditions are not ideal and have a duty and responsibility for their own safety. They are therefore expected to take great care to avoid guide ropes, uneven surfaces and other hazards, which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages, and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
