• ABOUT THE JUDGE •

Mrs Fran Parkes (Bessalin)

As her mother bred and showed Irish Setters and was actively involved in Irish Setter Rescue, Fran was brought up in a household where there were always dogs around, occasionally showing her mother's dogs at local shows. When still at home, as a teenager she obtained the first dog of her own which was a Spaniel cross and once she set up a home of her own she acquired a Collie.

However, once she saw a Basset for the first time she decided this was the breed for her and in 2007 Hythes Dyamo, a tricolour bitch joined her, this being her foundation bitch. She first showed a Basset in 2009 and registered her Bessalin prefix with the Kennel Club, thereafter breeding and showing on a relatively small scale, being particularly proud of winning the bitch CC at Crufts in 2017 with Bessalin Raspberry Ripple. Out-with breeding and showing, Fran runs a dog grooming business and is particularly interested in canine natural health remedies.

Fran judged her first show in 2015 and is much looking forward to judging the Basset Hound Club Open Show.

HEALTH AND SAFETY DECLARATION

Exhibitors and spectators are reminded that, just as the Basset Hound Club has a responsibility to ensure the health and safety of all those attending their event, exhibitors show at their own risk if conditions are not ideal and have a duty and responsibility for their own safety. They are therefore expected to take great care to avoid guide ropes, uneven surfaces and other hazards, which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages, and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

PLEASE MAKE EVERY EFFORT TO KEEP THIS VENUE CLEAN

We cannot stress too strongly that exhibitors should make every effort to clean up after their dogs. This applies to inside the hall and outside.

DEFINITIONS OF CLASSES

(N.B. The word 'dog' includes both sexes)

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the first date of closing of postal entries shall be counted when entering for any class i.e. **Monday, 14th August 2023**. Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility. If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

 - b) For an exhibit entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct colour, sex, weight or height.
 - c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct colour, sex, weight or height.
 - d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

10. **Best Puppy in Show**

Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.

11. **Best in Show**

Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.

12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed event within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
21. Should the Judge be prevented from fulfilling his/her engagement the committee reserve to themselves the right of appointing another judge to fulfill his/her duties. Exhibitors are at liberty to withdraw from competition but no entrance fee can be returned.
22. No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
24. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
