JUDGES' PROFILE

Mrs Malisa Martinez (It's So Floppy) [ARG]

Malisa Martinez began showing and breeding Bassets in Argentina in 1984 and registered her prefix - It's So Floppy - with the Argentinian Kennel Club, at first concentrating her showing within Argentina and other South American countries. However, since 2008 Malisa began exhibiting in the USA with her friend Maria Bivens who is based in California. Over the last 15 years Malisa has made up more than 40 Champions and 2 World Champions, qualifying in several countries.

In 1996 she imported USA Ch Moonbeams Astronomer who was a top winner in Argentina, taking the Group WKC in 2000 and left his mark on the Bassets in Argentina. In 2007 Malisa imported Tanneron Quickstep from the UK who was the sire of several Champions in Argentina and USA. In USA she achieved R.O.M on three occasions.

She has wide experience judging Bassets and since 2003 has been a FCI Specialty Judge and has judged the breed ten times at the highest level in Argentina including the Argentinian Nationals. In addition, since 2009 she has been a USA Speciality Judge and has judged there five times at the highest level, including the Nationals.

Malisa is much looking forward to judging at The Basset Hound Club which will be her first time judging in Europe.

(N.B. The word 'dog' includes both sexes)

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club. Wins in Variety classes do not count for entry in breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.

 - c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct colour, sex, weight or height.

14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed event within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
21. Should the Judge be prevented from fulfilling his/her engagement the committee reserve to themselves the right of appointing another judge to fulfill his/her duties. Exhibitors are at liberty to withdraw from competition but no entrance fee can be returned.
22. No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
24. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

HEALTH AND SAFETY DECLARATION

Exhibitors and spectators are reminded that, just as the Basset Hound Club has a responsibility to ensure the health and safety of all those attending their event, exhibitors show at their own risk if conditions are not ideal and have a duty and responsibility for their own safety. They are therefore expected to take great care to avoid guide ropes, uneven surfaces and other hazards, which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages, and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
